

Colorado Lending Source Membership Application

Our mission is to foster the economic growth of diverse small businesses within the state of Colorado.

Colorado Lending Source (CLS), is a private, non-profit, economic development organization created in 1990 to market, package, fund and service SBA 504 loans and other related financial products.

In order for Colorado Lending Source (CLS) to operate effectively, an active membership is needed to support and encourage the organization's mission. The role of the membership, in addition to electing a representative Board of Directors each year, is to participate in the process of economic development and the growth of diverse small businesses as emissaries and ambassadors of CLS.

Membership is free and available to representatives of financial institutions, community organizations, small businesses and local government organizations. Interested? Simply complete this application and return it to us at any time.
