

About Us

Remarkably Different Business Lending

Our mission is to foster the economic growth of diverse small businesses within our communities.

Colorado Lending Source helps inspired people create thriving businesses with funding, education and resources. By partnering with local lenders, government agencies and resource partners, we make access to capital more attainable for small businesses. Through our 27 year history we've helped 3,989 small businesses start, grow and expand resulting in the creation of 30,627 jobs and injecting over \$5.3 billion into the economy.

Small Business Loans

Colorado Lending Source offers four loan programs: Colorado Main Street, Community Advantage, Small Business Administration 7(a) and Small Business Administration 504 loan programs. Our financing ranges from \$5,000 to \$5.5 million and are available for a variety of business purposes including:

- Purchase machinery or equipment
- Buy, build or renovate commercial real estate
- Debt refinance
- Tenant improvements, working capital, or inventory
- Business acquisition, expansion or startup

Entrepreneur Development Program

Want to think like an entrepreneur? We offer an entrepreneurial mindset training called the Ice House Entrepreneurship Program. Created by the Ewing Marion Kauffman Foundation in partnership with the Entrepreneurial Learning Initiative, Colorado Lending Source facilitates this 10 week training so participants can cultivate an entrepreneurial mindset and apply it to different facets of life. The course also examines the fundamental process of how entrepreneurs with limited resources can succeed.

Corporate Responsibility

At Colorado Lending Source we're not just committed to your success, but to the success of each other. We step into the office (whether brick and mortar or virtual) each day with the intention of living these values:

- Advance the Mission
- Enjoy your Work
- Collaborate Openly
- Support Each Other
- Take Responsibility
