

504 vs 7(a): What's the difference?

Whether you are interested in the SBA 504 or SBA 7(a) loan program, both have their advantages including longer repayment terms and lower down payments. In order to qualify for either program, your business must have a net worth of less than \$15 million and a net profit of no more than \$5 million (two year average after taxes).

	SBA 504 LOANS	SBA 7(a) LOANS
ELIGIBLE USES	<ul style="list-style-type: none"> Buy, build or renovate commercial real estate Purchase capital equipment and machinery Refinance conventional commercial real estate and equipment debt 	<ul style="list-style-type: none"> Start, expand or acquire a business Buy, build or renovate commercial real estate Refinance existing debt Purchase furniture, fixtures and equipment Working capital & inventory Lines of credit
